CDSG MEMBERSHIP FORM

The Coast Defense Study Group, Inc. (CDSG) is a tax-exempt corporation dedicated to study of seacoast fortifications. CDSG's purpose is to promote and encourage the study of coastal defenses, primarily but not exclusively those of the United States of America. The study of coast defenses and fortifications includes their history, architecture, technology, strategic and tactical employment and evolution. The primary goals of the CDSG are the following:

- * Educational study of coast defenses
- * Technical research and documentation of coast defenses
- * Preservation of coast defense sites, equipment and records for current and future generations
- * Accurate coast defense site interpretations
- * Assistance to groups interested in preservation and interpretation of coast defense sites
- * Charitable activities which promote the goals of the CDSG

The CDSG was officially founded in 1985 at Fort Monroe, Virginia and incorporated in 1993. The first "St. Babs" conference was held in 1978 to visit the harbor defenses of New York. Subsequent annual CDSG conferences have visited all the major former harbor defenses of continental United States, and the current schedule is revisiting those sites. The tours have been held to Bermuda (1990/98), Hawaii (1991), Corregidor (1991/96/01/06), Panama (1993), Victoria (1995), Halifax (1999), Vladivostok (2002) and Spain/Gibraltar (2005), Helsinki, Finland and St. Petersburg, Russia (2007).

Membership is open to any person or organization interested in the study or history of the coast defenses and fortifications. Membership in the CDSG will allow you to attend the annual conference, special tours and receive the CDSG's quarterly journal.

For more information on the CDSG, please contact the Finance and Membership Chairman at the address listed below. To join the CDSG please complete and return the adjacent application with your membership fee. Upon joining you will receive four issues of the *Coast Defense Journal* and the *CDSG Newsletter*, the CDSG's By-Laws, and a current membership list.

THE CDSG FUND

The Coast Defense Study Group, Inc. (CDSG) has established the **CDSG Fund** to accept tax deductible donations. This is the result of the CDSG receiving its federal tax-exempt status under Section 501(c)(3) of the Internal Revenue Code. Donations from members and friends will be placed in the **CDSG Fund** to be used to further the goals of the CDSG.

A sample project to be undertaken by the **CDSG Fund** was the preservation of a rare 90-mm Gun Mount M3. Through donations to the **CDSG Fund** this 90-mm coast artillery mount was transferred from the National Park Service's storage yard at Fort Moultrie, SC to the Fort MacArthur Military Museum in Los Angeles, CA. This cross-country move allowed this rare 90-mm mount to be restored and viewed by the public. The **CDSG Fund** is working on similar projects, but donations from you are essential.

The CDSG is now seeking donations from members and friends to the **CDSG Fund**. The **CDSG Fund** will acknowledge your gift and keep you informed about the progress of its projects. Remember, the **CDSG Fund** is a tax-deductible way to advance the goals of the CDSG and also a way for members to promote their favorite subject.

Individuals or organizations seeking funding from the **CDSG Fund** for projects that are consistent with the goals of CDSG should submit requests to the trustees of the **CDSG Fund** (Alan Hardey, Terry McGovern, and Mark Berhow). The trustees shall review such requests and pass their recommendation onto the CDSG Board of Directors for approval.
